REACH REGISTRATION STATEMENT

Dear Customer,

According to the TITLE II, Article 2(9), of the Regulation (EC) No 1907/2006 (REACH Regulation), polymers are exempted from registration obligation and therefore we have no duty to register **HIPTEN** (LDPE), **HIPLEX** (HDPE) and **HIPREN** (SBR).

Manufacturers or importers of polymers must, however, submit a registration for the monomer substance or any other substance(s) in the final product, that have not already been registered up the supply chain.

We are hereby informing you that the monomer which we produce, ethylene (CAS 74-85-1), propene(CAS 115-07-1) and buta-1,3-diene (CAS 106-99-0), has been registered by **Business Development & Intelligence srl (BD&I srl)**.

Ethylene registration number is 01-2119462827-27-0097

Buta-1,3-diene registration number is 01-2119471988-16-0088

Propene registration number is 01-2119447103-50-0094

Regarding the other substances we use in the production of our materials, we can confirm that all products supplied to customers contain substances that are registered or are REACH exempt.
